

Swivl for Professional Development

Virtual PLCs

Swivl Live Streaming and Zoom makes it possible for participants to engage in collaborative working groups wherever they are.

Instructional Coaching

Provide time-stamped feedback using rubrics in Swivl cloud. Teachers and coaches can refer to evidence-based practices to engage in meaningful dialogue.

New Teacher Induction

Build best practice libraries in Swivl cloud for new teachers to reference exemplar instructional practices across your district.

"Swivl allows us to exponentially grow, which is our goal. In every feedback session the mindset is growth: I want to continue to be better, not just for myself but for the kids."

-Andrew Duinick, Assistant Headmaster, Great Hearts Monte Vista
