

# Make edTPA and PPAT Easy with Swivl

Whether your program relies on edTPA or PPAT for teacher candidate certification, Swivl optimizes and simplifies the recording and submission experience for your student teachers. Both edTPA and PPAT certification requires teacher candidates to provide video of:

Student and Teacher engagement

Evidence of positive classroom environment

Time stamped annotation

Evidence of subject matter competency

## Use Swivl to meet the guidelines:

Candidates record the best student and teacher interactions with up to five microphones

360° capture of classroom environment

Real time bookmarking for time-stamped annotation

Customizable rubrics for peer collaboration and evaluator review before final submission

## And more, Swivl offers:

Reliable exporting for hassle-free submissions

Easy merging of three of your best clips for PPAT submission

Direct download MP4 format that meets 500 MB submission limits
